As a reminder the Monongalia County Assessor's Office will not be accepting walk-ins until further notice. Out of an abundance of caution, beginning Thursday March 26, 2020, staff will be working remotely to help slow the spread of the COVID-19 virus. Staff will be available to assist you via telephone and email. Please call us at 304-291-7222, and leave a message. Staff will be checking messages and someone will get back with you. Below are some examples of ways that we can assist you:

Personal Property/Business Personal Property: Assessments and Supplements can be taken over the phone. You can also submit these via email. Questions can also be emailed to vmccord@assessor.org.

Dog Tags: Dog tag information can be taken over the phone and a check or money order can be made out to "Assessor of Monongalia County", and mailed to our office. Once payment is received, our office will mail your tags to you along with a receipt.

Goat and Sheep Fees: The number of breeding age sheep and goats can be taken over the phone and a check or money order can be made out to "Assessor of Monongalia County", and mailed to our office. Once payment is received we will mail you a receipt.

Real Estate Questions: Most questions can be answered over the phone. Questions may also be emailed to ptenney@assessor.org. In the event that a property needs to be reassessed, we will take your information and review the property once it is safe for employees to resume normal business activities.

These steps have been put into place to help protect staff and taxpayers and the public in the effort to decrease the spread of the COVID-19 virus. The Monongalia County Assessor's Office is committed to providing the highest level of service possible during this time. We do ask that you be patient with us as we work to provide these services via alternative methods.
