

PERSONAL PROPERTY ASSESSMENT RETURN REMINDER

Our records indicate that we have not received a Personal Property Assessment Return for tax year 2021. The deadline to file is October 1, 2020. It is necessary to complete an assessment return in order to avoid late fees or interest on your tax bill.

Forms can be returned to the Monongalia County Assessor's Office. Office hours are Monday-Friday 9:00am to 5:00pm. Forms may also be filed online at www.assessor.org.

If you have already filed an assessment return or need assistance in doing so, please notify our office as soon as possible by calling 304-291-7222 or via email at personalproperty@assessor.org.

We have added additional satellite locations in order to make it more convenient to return forms and purchase dog tags.
